Brookland Logos

**Brookland Squared- \*** This logo is inspired by art deco architectural details on several Brookland buildings. The shape echoes that of the District and highlights the neighborhood's place in the center of this world-class city. The mark is very strong and the color palette is inspired by the area's unique, woodsy surroundings. Please select this option if it is your preferred logo choice.

Brookland Logos

**Grove of Trees with Basilica in the Background \*** This logo highlights district and iconic buildings in Brookland and its immediate area. The trees in the foreground balance the angular structures behind and clearly depict one of the neighborhood's most wonderful features - its beautiful trees.

Brookland Logos

**Brookland Circles \*** Inspired by the shapes of the ironwork windowpanes on several Brookland buildings, this logo alludes to the District's unique layout. It also calls to mind a tree with an intricate root system subtly reaffirming that Brookland is neighborhood with roots.

Brookland Logos

**Many Leaves \*** Inspired by Brookland's verdant landscape, this logo is beautiful and organic. The trunk of the tree doubles as a path, which leads to the "neighborhood with roots". The circular form of this logo is very identifiable. The color palette is inspired by the area's woodsy surroundings.
